

There is a team registration form (there is no individual form) and a Rules page. There has been considerable interest from both 14U and 13U teams. Since there is a big difference between a 12 and a 14, I am doing the best to try to evenly breakup teams without overloading the fields. If there are enough teams to have a 13U and 14U league, we will try our best to accommodate all teams and we may have to some double headers to do so. I'll keep you all posted on progress. As of right now, these are the basics.

- • We will have an (8) game regular season with one additional playoff game, for teams that qualify. Tentative start date is 9/11/10. We will be off for Labor Day weekend.
- • League fees will be \$100 per team.
- • Teams must pay for ½ umpire per game (\$32 per umpire/game or \$16 per team/game). If teams wish to have 2 umpires per game, it is possible, but will increase cost. I need feedback on 1 or 2 umpires.
- • Teams must provide a new game ball for each game.
- • Individual player applications will be accepted. I just need to know the basics; name, age, preferred positions, contact number, etc. WE are working on the honor system, please do not take advantage.
- • If there are enough individual players, I may ask for a parent to coach a team of individual players. Otherwise, those individuals may not be able to play.
- • 3B teams need to be open to accepting individual players.

With all of this being said, we have either some limited space for a 12 team league, or plenty of room if we try to split it. Please get back with me ASAP on your team and/or individual players.
